

HVAC – WARRANTY

WARRANTY – HVAC

Every Continental HVAC system is designed, engineered, manufactured, and hand-inspected to the strictest quality control standards. With proper maintenance and care, your state-of-the-art system is intended to last.

For additional peace of mind, we suggest you register your new Continental system to ensure that, in the unlikely event of a malfunction, your heating and cooling appliances are covered under warranty.

For the warranty coverage on your specific unit, please speak with your Continental dealer to learn more.
